

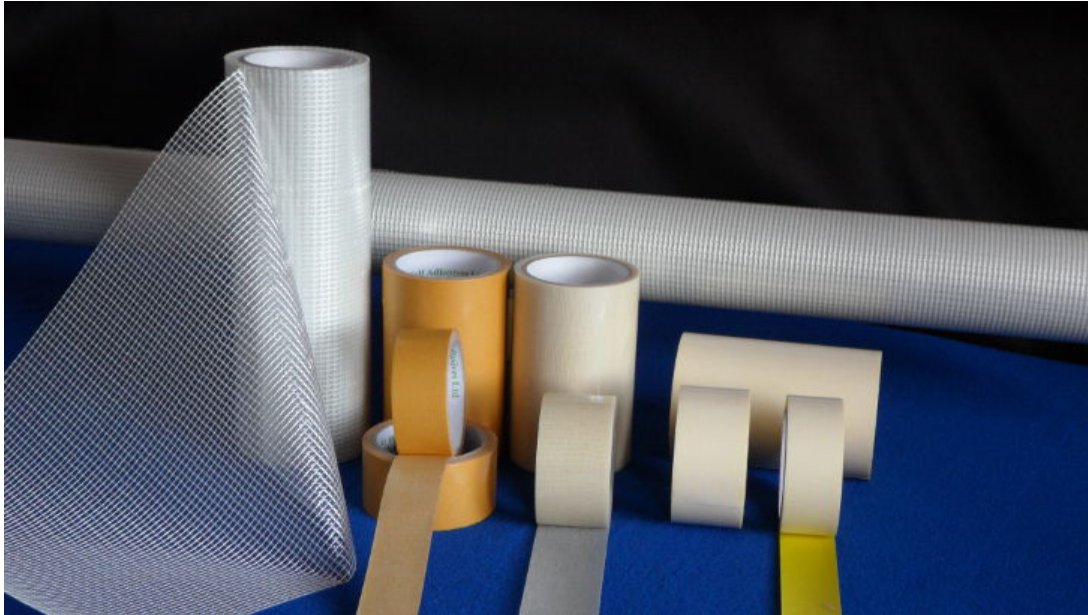

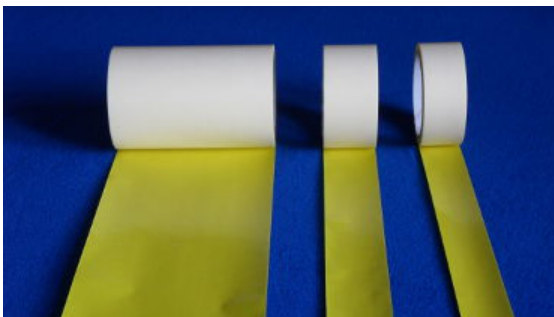

Exhibition Tape

Approved by the NEC, Olympia, Excel and all major venues in the UK and Europe.

The Contractors Choice!

5674 Yellow Exhibition Tape

Probably the Best Exhibition tape on the market.

- Preferred and used by many carpet contractors and leading Exhibition carpet suppliers.
- Floor side adhesive guaranteed to remove without leaving residue.
- Increased adhesive mass and adhesion to the full range of exhibition carpets.
- Fully recyclable polypropylene carrier film.
- Each roll batch coded for full traceability and individually wrapped for protection.

5973 Platform Tape

Double sided cloth tape with aggressive REMOVABLE adhesive.

- Approved and used by organisers, Contractors and Platform flooring suppliers
- Removes cleanly from wood, composite and plastic flooring
- Suitable for outdoor/red carpet events.
- The aggressive, highly conformable product provides secure fixing for all types of carpets.
- The closely woven cloth is conformable and strong enough to allow clean removal when required.
- Each roll batch coded and individually wrapped for protection

5973 F/L Platform Tape

- 36 Micron clear PET liner guarantees one piece removal of release film.
- Particularly useful when the tape is applied on curves/shapes and in wider width formats.

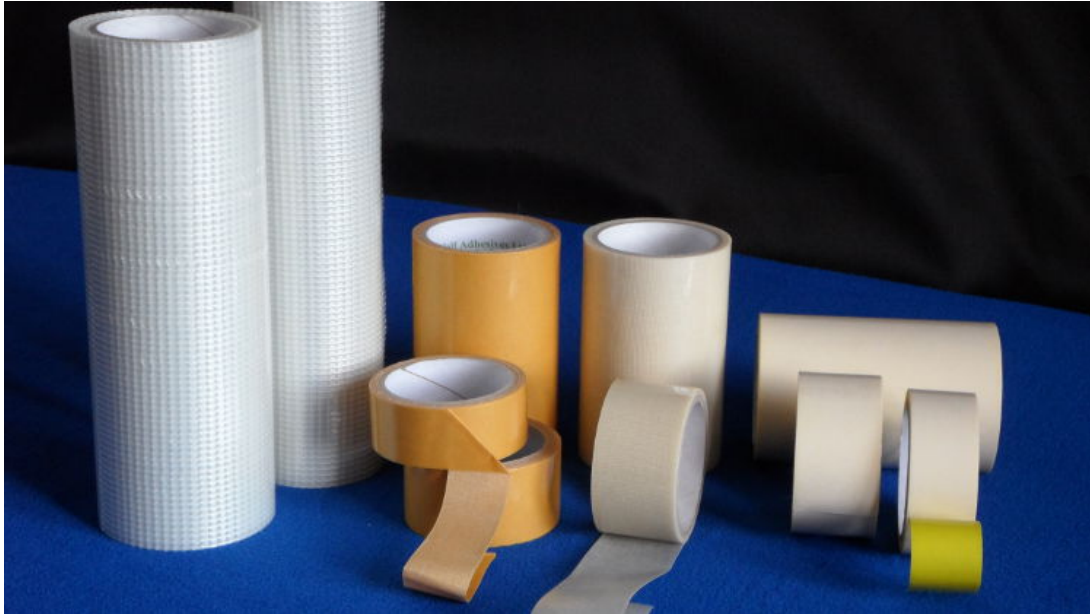

GRIP & PEEL Carpet To Carpet/Floor covering
